

Application for a bicycle

The bicycle collection of Barnaheill – Save the Children Iceland 2021
in co-operation with Æskan - the children's movement of IOGT

Confidential

- This application will be handled as confidential by everyone working on the project. The staff of Barnaheill – Save the Children Iceland will take care of allocation of the bicycles.
- The children's parents/guardians will be connected and they will be offered a scheduled time to collect the bicycle.
- Please note that it cannot be guaranteed that we collect enough bicycles for every child applying, as the number of bicycles cannot be foreseen, though it is the aim of this project to make the best use of every bike we receive and of course we strive for meeting the demand.
- Barnaheill – Save the Children Iceland cannot guarantee the security of each bicycle as they are all used second-hand.
- **It is the parents/guardians primary responsibility to secure the safety of their children's bicycles.**
